Staff report of April 3, 2009

Initiated by:

Public Works Department

Budget Impact:

Funds included in current budget sufficient for project award

Sustainability Impact:

No new impervious area is being created and a portion of the asphalt removed from Salamo will be used in the replacement paving

Policy Questions for Council Consideration:

None

Summary:

The City Council authorized issuance for \$2,000,000 bonds to fund repair of the City's deteriorating streets. The bonds have been sold, securing the fund to implement the project. \$1,750,000 of the funding was set aside for this project. Open advertisement attracted seven bidders of whom the lowest responsive, responsible was Knife River Company at \$1,532,192.05. Staff has checked references and their product quality and is confident in recommending award to Knife River Company.
